ORSERO is the holding company of the Italian and international group with the same name, a leader in Mediterranean Europe for the import and distribution of fresh fruit and vegetables. The Orsero Group was created more than 50 years ago at the initiative of the Orsero family, which had been operating since the 1940s in the fruit and vegetable sector, in partnership with other entrepreneurs. Over the decades, the Orsero Group has expanded its business both in terms of area covered, which today includes Italy, France, Spain, Portugal, Greece, Costa Rica and Colombia, and in terms of product categories and sectors, according to a model known as vertical integration. Along with the distribution of fresh produce, the Orsero Group's business model also includes the import of bananas and pineapples using its own ships owned, as well as the production of fruit. In 2012, the Orsero Group launched the brand "F.lli Orsero" for bananas and pineapples. The name intends to convey a sense of tradition and the passion of a large Italian family-run company for high-end produce.
